SESSION WELCOMES US TO GATHER AGAIN AT CENTRAL

IN-PERSON WORSHIP TO RESUME SUNDAY, JUNE 6

At the May Session meeting, elders reviewed plans from all Central committees, recent changes in state orders, and recommendations from the Covid-19 task force and approved the decision to return to in-person worship at Central.

This is exciting news but will also require that we continue to be mindful of health and safety protocols for all who enter the building. The next few months will mark a gradual process returning to typical worship and building activities. We appreciate your patience and understanding.

At this time, we ask the following of everyone:

- Please wear a mask at all times in the building. This applies to everyone.
- Social distancing will be in place, including seating, for the safety of everyone. Some people, especially children, cannot yet be vaccinated.
- Hand sanitizer stations are located throughout building for use as needed.

UPCOMING WORSHIP

And so, we will gather again!

June marks a new chapter in the amazing story of Central's history when not only do we connect again, but more importantly, when live-stream worship becomes part of our new normal - not simply a temporary solution.

Beginning, June 6, worshippers will have the choice between worshipping in-person in the sanctuary or watching services via live-stream at www.centralforgood.org/stream. The live-stream worship is archived and available at anytime on our website.

Sunday, June 6 GATHER CENTRAL

A celebratory Sunday as we gather praising God in our worship together in the sanctuary again. David Winkworth, soloist with Jennifer Anderson on organ.

Sunday, June 13

PSALM 95:1-7
COLOSSIANS 3:12-17

We are starting our summer worship theme of seeing God throughout all creation. We begin this week with the roots of a tree, the planting of a seed, and the foundation of our life of faith. Abbie Betinis will share special music, with Summer Singers and Jennifer Anderson on organ.

After worship, stay and participate in Ministry Study discussions as we explore your thoughts on who Central was, is, and will be!

Sunday, June 20

EZEKIEL 17:22-24
PSALM 92:1-4,12-15
MARK 4:26-34

We continue our summer's theme of experiencing God through creation, this week looking at an element we need for life – water. We hear about how Jesus had power over a storm at sea. Cindy Jesson, clarinet, Clara Osowski, special music, Summer Singers and Jennifer Anderson, organ.

After worship, stay and participate in Ministry Study discussions as we explore your ideas and opinions.

Sunday, June 27

PSALM 107:1-3,23-26,28-31
MARK 4:35-41

We continue our theme of God's presence in all creation by considering the healing and compassionate touch of God to us. David Winkworth, soloist, Abbie Betinis, special music, and Jennifer Anderson, organ.

GATHER CENTRAL [CONTINUED FROM PAGE 1]

Worship Adapted

When you join us in the sanctuary for worship, members and visitors will notice a few changes to typical worship practices.

- Several pews will be blocked off to preserve social distancing.
- There will be no communion on June 6th to cut down on person-to-person contact.
- Bulletins will not be handed out by ushers, but instead found on a table inside the sanctuary.
- Offering plates will not be passed to limit person-to-person contact. Instead, offerings can be made in special drop boxes.
- Passing the Peace will not be done with handshakes, hugs, and movement. But, will be addressed uniquely in worship.
- Coffee and Fellowship Hour after worship will not yet return, but hopefully later this summer.

As we move through the coming season, it will be a gradual process to resume normal activities. We appreciate your patience during this time. Following are a few other

areas you may see change.

Plans for Music

[FROM JENNIFER ANDERSON]

We recognize how important music and singing is to all of us in our worship experiences. It is woven into the fabric and identity of Central Presbyterian Church.

As we begin to gather again in the sanctuary, music will be shared by instrumentalists, hymn leaders, and fully-vaccinated choir members from the balcony. During June, we will not include congregational hymn singing but will re-evaluate as the summer progresses.

Childcare Available

[FROM KATIE MORRIS]

As committees, staff, and Session prepare to return to in-person worship, we know that families are at all different comfort levels with in-person activities. Know that you and your family are welcome in whatever way you decide to join us for worship!

During worship, we will have childcare available for infant - kindergarten, plus individual

worship materials and activities in the sanctuary. We'll continue to livestream worship, and include materials, books suggestions, and other resources in our weekly Children and Youth email.

If you have questions, concerns, or ideas, please feel free to reach out to Katie Morris via email to katiem@centralforgood.org.

Wednesday & Third Sunday Lunches

At this time, we are closely monitoring developments of area employers returning to their buildings, as well as plans in other areas that mark the ability to offer lunches effectively and safely for all. There are elders working on this area and are hopeful we will see it return in late summer, if all continues to go well.

Have Questions?

If you have questions about these or other areas, we welcome you to contact our Covid-19 Plan Administrator, Anna Sanchez, at (651) 224-4728 ext 100 or email office@centralforgood.org.

BE A PART OF BIBLE STUDY

A virtual Zoom Bible study led by Maureen Smith meets Sunday mornings from 9:00 - 9:45 a.m., and anyone who is interested is welcome to join. We begin by praying for each other, then

discuss the passage of scripture that Rev. Carol Reed will be preaching on, and break into small groups for more discussion and a chance to get to know each other better.

If you are interested in joining, email office@centralforgood.org at to receive the Zoom link, scripture passage and other news about this class.

THE SUMMERTIME SEASON UPON US

[REV. CAROL REED]

Our Lord has written the promise of resurrection, not in books alone, but in every leaf in springtime.

– REV. DR. MARTIN LUTHER KING, JR.

After a Minnesota winter, no matter how severe or mild, spring feels like a welcome arrival. Living in the northern hemisphere and especially in a cold climate, it is a blessing to have Easter come at approximately the same time as springtime. We proclaim the resurrection as the very creation is coming back to life!

This year has felt like there have been other bonuses. The cool spring weather meant the spring flowers lasted longer than usual. I live not far

from the University of Minnesota Landscape Arboretum and this time of year I try to get there once a week to see the profusion of spring flowers, shrubs, and trees. It renews my soul each time I walk in the woods and through the gardens.

The other bonus this spring has been that as vaccination rates increase and covid cases decline, we are slowly starting to return to things we cherish. As friends and family are vaccinated, we can start to gather again. After working to stay out of crowds for a year, we can consider going to restaurants, ball games, or concerts. It feels as if we are all coming back to life in this season of Easter.

We have yet to find out what it will feel like to return to in-person worship but I can imagine it will feel like a little resurrection. I will get to meet many of you for the first time. Not everyone will feel ready to return to in-person events yet, but hopefully we are moving closer to that time.

My thanks to the staff, committees, the Covid-19 Task Force, and the Session who have done a great deal of work to make this transition time go smoothly, while keeping everyone safe. Things will keep changing for a time; please be patient as we navigate this new time together.

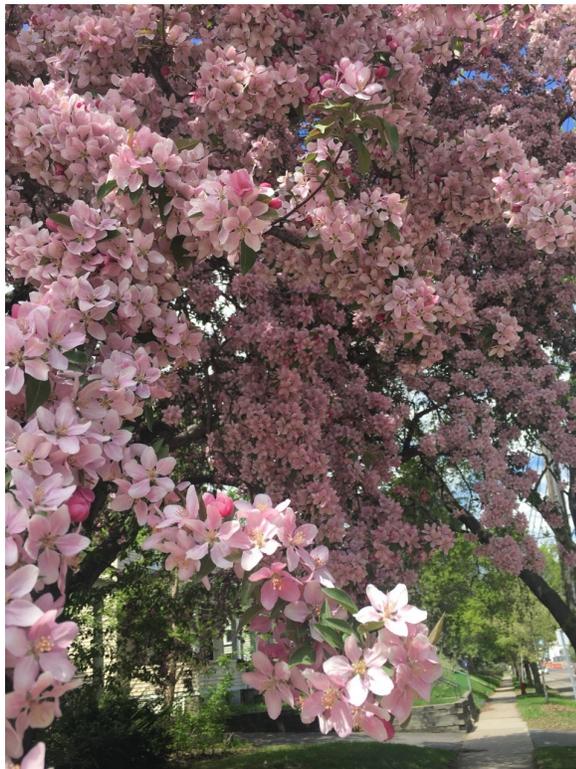

Blessings as we move into the summertime season!

THANK YOU TO EVERYONE WHO HAS SUBMITTED IMAGES TO OUR 'GOD'S BEAUTIFUL CREATION' GALLERY PROJECT!

This summer, we will be sharing in a special worship theme on this very subject and will be welcoming you to share more for a special sanctuary display.

MAKE YOUR VOICES HEARD

[BY CHRISTIE RACHELLE]

This past month, we began a crucial first step in the completion of a ministry study to match with prospective pastors - discussion groups with current members and active visitors.

These casual conversations mark an opportunity to voice what brought you to Central, how it impacts you today, and where you see growth potential for Central Presbyterian Church in the future. For us to have a successful match in a new pastor, we need to hear from a large number of people in order to paint an accurate picture of our church. So, we invite and encourage you to sign up for one of the following discussion groups coming in June.

IN-PERSON, after worship, in the Friendship Room. Large groups will be broken into smaller sets.

- Sunday, June 13 at 11:30 a.m.
- Sunday, June 20 at 11:30 a.m.

These in-person events do not require preregistration.

VIRTUAL ZOOM conversations. For

one hour, 5 - 7 participants will meet with a member of Session (as the facilitator):

- Wednesday, June 9 at 7:00 p.m.
- Thursday, June 10 at 1:00 p.m.
- Tuesday, June 22 at 4:00 p.m.
- Thursday, June 24 at 10:00 a.m.

Virtual Zoom events will require pre-registration. Go to our website at www.centralforgood.org/volunteer to sign up or call the church office at (651) 224-4728.

TO OUR CHILDREN AND YOUTH, we want to hear from ALL of the voices in this community - including YOU! Throughout the summer, keep an eye out for opportunities to share your thoughts with Katie Morris - at our picnics and other gatherings.

If you have any questions about these discussion groups or next steps, please feel free to reach out to Rev. Carol Reed at anytime via email to carolr@centralforgood.org or call (651) 224-4728 ext. 102.

We look forward to talking with you!

Are you bored or lonely sitting at home? Are you looking for conversations, connections, and camaraderie?

Central Presbyterian Church is launching a new men's group called the Men's Round Table! Join us for our first casual get together **Saturday, June 5 at noon** at Mears Park in downtown St. Paul. We explore topics ranging from faith, weather, and current events as well as checking in on each other's well-being. This is a great time to connect and build relationships with others from Central. We invite you to bring a chair, snack or bag lunch, or even a friend if you know of others who would benefit from this diverse group. We hope you will join us as we kick off this monthly group.

If you have questions, we welcome you to contact any of the following:

- Todd Mikish
- Mark Vance
- Leon Oman
- Chris Bremicker

Just email office@centralforgood.org or call the church office at (651) 224-4728 to get in touch with any of the above group leaders.

FELLOWSHIP ON THE LAWN

THANK YOU TO EVERYONE WHO WAS ABLE TO JOIN US FOR AN IN-PERSON FELLOWSHIP ON PENTECOST SUNDAY. IT WAS GREAT TO SEE YOU AGAIN!

(AND, A SPECIAL THANK YOU TO MAUREEN SMITH FOR CAPTURING ALL THESE FUN PHOTOS!)

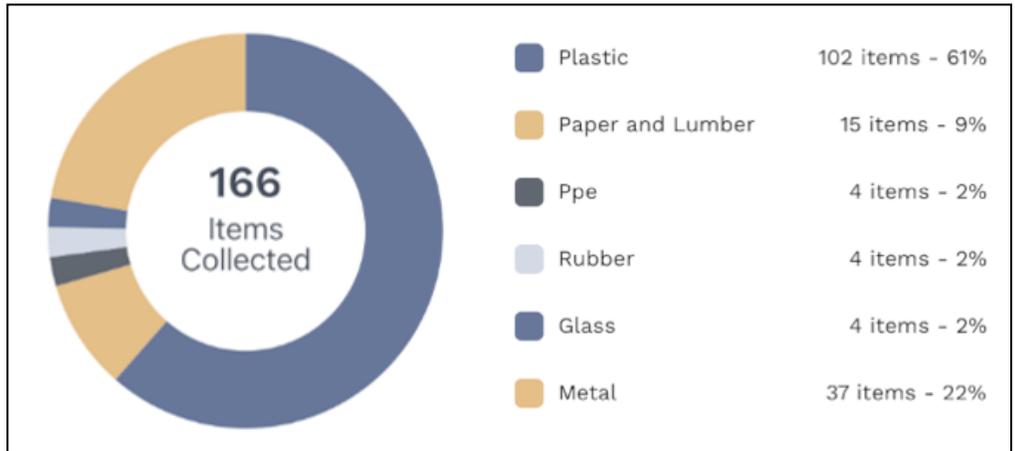

CONFIRMATION CLASS SERVICE PROJECT

[BY KATIE MORRIS]

The 2020 confirmation class completed the final piece of their class, a service project! They chose to learn more about plastic pollution and the impacts it has on other parts of the environment, so they spent an afternoon collecting trash and data for the Mississippi River Plastic Pollution Initiative. Kudos to this group of youth!

MUSIC NEWS

[BY JENNIFER ANDERSON]

Summer Singers!

We are looking for fully-vaccinated people who can help lead hymns from the balcony this summer as we slowly and safely return to in-person worship. This isn't "choir" per se; we won't be singing anthems or rehearsing separately, but instead will gather at 10:00 a.m. on the following Sunday mornings to help add some musical leadership to the worship service.

- June 13
- June 20
- July 25
- August 1
- August 22

If you are interested in being a part of our *Summer Singers* please contact Jennifer Anderson soon at (651) 224-4728 ext. 103 or email her at JenniferA@centralforgood.org.

Music Picnic!

WEDNESDAY, JUNE 16

6:00 – 8:00 P.M.

The Music Ministry at Central has had, what I assume to be, one of the most unique and challenging years in over a century. Yet even in those challenges, we have remained a group of people who cares for one another. I'm so excited to safely gather outside in our Minneapolis backyard on June 16 for a Music Ministry End-of-[What-a-]Year!

Food will be provided, and we will be outside. Please bring a lawn chair if

you have one (we have extras), and dress for the weather. Obviously, if it is severe weather or really unpleasant, we will have to reschedule. Please RSVP before June 10 to Jennifer Anderson at jennifera@centralforgood.org.

Thank You Musicians!

Many, many thanks to people who continued to offer their musical gifts even in this difficult time; to those who reached out with support via kind emails and notes (those meant the world to me - thank you! They often came at times that I most needed a boost); to those who gave financially even when it might have felt less rewarding to do so; and to those are ready to return and give their first and best as we worship together.

Thank you to....

Choir members and friends who participated in virtual choirs, learning new technology and feeling vulnerable in this new form of music making.

The Bells who gathered safely (and very, very, very far apart) throughout the year to learn music quickly (often practicing on their own at home with hand weights or salad dressing bottles as "bells") and then to record for worship.

Our Music Staff - Shanta, Abbie, Adam, David, Eric, and Steve, who continually offered music in a variety of ways throughout the year, adapting as needed, and encouraging me and each other. A

special thank you to those who led *Music Mosaics* and offered up sessions on interesting, quirky, and fascinating subjects!

Instrumentalists and vocalists who recorded music on my porch for *Porch Sessions* – it was a joy to make music with you and I'm so grateful that you shared your gift so that others could enjoy it as well.

To our Chamber Ensemble for providing music for the *Central on Parade* event this fall – I cannot wait to make music with you all again soon.

The Worship, Music and Arts Committee for supporting, encouraging, and planning this last year.

The musicians who have been leading music during live-streaming worship, and those who plan to do so this summer. I'm so grateful for vaccines (and the scientists and public health workers) for allowing us to safely begin to do what we have so missed the last 14 months.

Ars Nova Returns!

One of the many musical things that I've missed this last year is hearing our brass ensemble-in-residence, *Ars Nova Brass Quintet*, make glorious music!

I'm thrilled that they are all fully vaccinated and will be rehearsing again this summer, and plan to provide music in worship on September 12!

COFFEE TIME

VOLUNTEERS NEEDED

COMING TOGETHER MEANS A NEED FOR MORE HELPING HANDS

[BY CHRISTIE RACHELLE]

As we moved through the last 14 months, we looked eagerly forward to the day when we would be seated together, sharing music and prayers in Central's beautiful sanctuary, delighting in conversations and connections. But, what we may have overlooked are the many helpful hands that make each worship weekend run so smoothly.

And so, we turn to you now with an important request... Can you help us in one of the following key areas?

Caring for Children

As we prepare to return to in-person worship, we're looking for folks to serve in the nurse's office with our youngest community members!

Working alongside paid staff, nursery care is offered Sunday mornings during worship and involves caring for and engaging with our little ones as well as helping them to follow COVID-19 safety guidelines.

If you could use some extra cuteness and playful fun in your life, contact Katie Morris, Central's Children & Youth Ministry Coordinator, at katiem@centralforgood.org or call (651) 224-4728 ext.109 for more information and to set up your orientation and necessary background check.

A Welcoming Usher

Ushers are the patrons of hospitality, a welcoming face helping to ensure members and visitors have all that they need to enjoy a positive worship experience.

The New Members & Volunteers Committee would like to prepare a list of volunteers who would be interested in this important role. This will require a bit of adaptation from previous models as well as new training to address the changes to in-person worship.

If you are interested helping, email Kiera Faye at kierafaye@gmail.com and she will help you get lined up to do so!

Worship Leaders

We have seen many faces leading worship this past year through our video streams. But, now, we have opportunity to witness members at our pulpit as liturgists, leading prayers, reading scripture passages, and speaking on church announcements and missions.

If you have an interest in supporting Rev. Carol Reed and our program staff in worship services, volunteer to serve as a worship leader by contacting Rev. Reed directly at (651) 224-4728 ext. 102 or emailing her at carolr@centralforgood.org. Training and materials will be provided.

Church Keepers

Are you handy around the house, and like to do fix-it projects? Do you enjoy spending time with other like-minded handy-people?

Central is looking for people to join a new *Church Keepers* group. From helping with the front yard landscaping maintenance, to spring cleaning, to basic repairs, to restocking the pew cards and straightening the pews, Anna has a list of light-duty tasks ready for whoever is willing. Just send an email to office@centralforgood.org or call (651) 224-4728 ext. 100 and we'll try to set up a date for June.

Seeking Others?

If these do not quite fit your interest or availability, check out our volunteer page for other ways in which you can serve our community:

www.centralforgood.org/volunteer

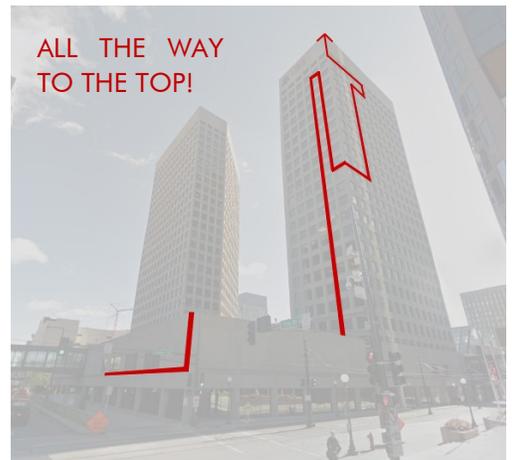

#MPRRACCOON, THE LITTLE CRITTER THAT COULD

Almost three years ago, a raccoon captured the imagination - and hearts of many across the world - for more than 24 hours in downtown St. Paul, just steps from Central's front door.

MPR staffers first saw the raccoon on a skyway ledge and followed her ascent up the UBS Plaza building. Her trek to the top of the tower was documented by MPR News reporter Tim Nelson and photographer Evan

Frost nearly nonstop as the nation watched, stunned as the story of the little raccoon who could exploded on social media.

Some observers said the nation needed a respite from hard news, while others said we needed something to collectively root for. Whatever motivated the viral sensation, it remains a fun memory in the history of Central's downtown neighborhood!

SEEKING DONATIONS FOR FAMILIES IN NEED

Central's Coordinated Mission Committee is hosting a June diaper drive to support Project Home families through Interfaith Action.

Diapers are a necessary item for babies and toddlers to attend daycare. Diapers are expensive and, unfortunately, diapers are not an eligible item for food stamps or other government programs. There

is a need for all sizes of diapers, especially, larger sizes.

If you are interested in donating diapers and/or diaper wipes, please bring donations to church on Sundays June 6, 13 or 20. Please drop them off in Friendship Room.

If you have questions feel free to contact the church office. Thank you!

ANNOUNCEMENTS

Per Capita Giving

[BY REV. CAROL REED]

We are a *connectional church*. Central Church is part of the Presbyterian Church (USA). We rely on those connections for help with our mission and ministry. We access worship and officer training resources. The Presbytery of the Twin Cities Area helped with the search for an interim pastor. As the search process gets under way for a new pastor, Central will use the services of the denomination in a myriad of ways.

But, it all costs money. Local congregations pay a pre-determined assessment, divided between the Presbytery, Synod, and General Assembly. This year Central is paying \$36.50 per confirmed member in per capita. The church budget has a line item to cover the per capita.

However, it would be a significant help if church members were to pay their own per capita!

How to pay per capita?

- You can send a check in the mail with 'per capita' noted in the memo field.
- If you have a monthly contribution automatically withdrawn, you can email the office and ask to have a one-time withdrawal to pay per capita.
- On the church website you can make an online gift by going to www.centralforgood.org/give and click *Special Offering* or make a note that it is for per capita as you move through the form.

If you have any questions about the per capita giving, contact Anna at

office@centralforgood.org or call (651) 224-4728 ext.100.

One Great Hour of Sharing

Thank you to everyone who recently gave to the One Great Hour of Sharing special offering. Central folks contributed \$2,190 to OGHS, and an additional \$100 donation directed to Presbyterian Disaster Relief. OGHS supports Presbyterian Disaster Assistance, the Presbyterian Hunger Program, and Self-Development of People serving those around the world.

Next month, Central will share another opportunity for special giving in the Joy Offering, which supports Presbyterian-related schools and colleges equipping communities of color.

Stay tuned for details!
