# PASTOR NOMINATING COMMITTEE BEGINS

[ FROM REV. CAROL REED & AL ZDRAZIL, CHAIR OF THE PNC ]

The Pastor Nominating Committee (PNC) has assembled and has begun its work to find a new permanent pastor for Central. Some in our congregation have inquired as to how the PNC was formed and requested insight into its composition.

## Identifying Candidates

The congregation was invited for a number of months to attend informational meetings about the PNC to see if they might feel called to serve the church in this way. The Nominating Committee then began recruiting additional members -

making direct phone calls to people of all ages, including long-term members as well as newer members, people with children and those without children, people who came to Central from Dayton Avenue Presbyterian Church and those who are legacy members of Central. While not everyone was able to serve in this way or at this time, we are grateful for those who stepped forward to do the work of the PNC in the months to come.

## PNC is Formed

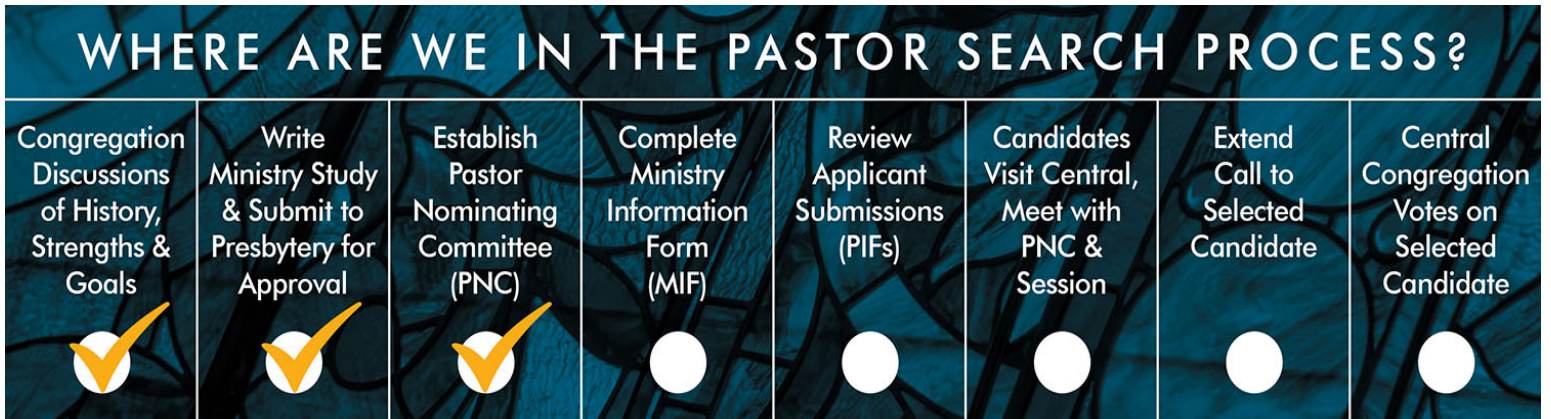

The following people were approved to the PNC in a vote at the annual meeting on March 27, 2022.

- Gifty Amarteifio
- Sue Hoffman
- Jackie Klaehn
- John Lee
- Todd Mikish
- Lynda Petrie
- Josh Voelker
- Al Zdrazil

We are thankful to you all for your willingness to serve on this important task.

## PNC Gets to Work

Since its election in March, the PNC has met twice. Assignments have been issued (and accepted) and the committee is working diligently on next steps, specifically preparation of the Ministry Information Form. If at anytime you have questions about the pastor search process or the work of the PNC, speak with Rev. Reed.

# FINANCE COMMITTEE UPDATE

[ FROM MATT EHLING, TREASURER ]

Thanks to generous giving by members, Central's finances are in positive territory for the year-to-date. Central has also been capturing more of its per capita payment than in past years. This per capita amount is money that all Presbyterian churches owe to the

denomination. It is calculated based on church membership. When members cover Central's per capita allotment with dedicated gifts, it frees up money elsewhere in the church budget that can be used for worship, musical programming, and other key needs. This year the per capita fee is \$36.50 per member.

The Finance Committee would also like to thank members who have reliably contributed to the Zopfi Building Improvement Fund in recent months. Those contributions recently enabled the church to replace a kitchen freezer — a much needed upgrade as our Wednesday lunch program came back on line.

# BRICK BY BRICK FUNDRAISER

[ FROM BARB SWANSON ]

As shown so well in the April newsletter, the restoration work on the front of our historic building has made a very notable difference in both its condition and appearance. Thanks to member Fluryanne Leach, we've been able to obtain Minnesota Historical Society Legacy grants to help with that restoration and the limestone foundation this year.

## The Work Continues

We have three more sides of our building in need of restoration. The back (east) side is next. As you can imagine, costs increase each year and the building's condition worsens. We will continue to apply for grant funding, and providing matching funds is important for making our grant application more attractive.

To increase the matching fund amount needed for a grant to repair/replace the masonry on the back of

the building (east side), our immediate need and goal is to raise \$30,000 by July 14.

## Love those bricks!

Bricks may not be high on your list of most beautiful church building features, but our bricks need a lot of love! Most of the bricks on the east side require replacing 100% of the repointing and a number of areas will need 50% of the them replaced.

Please show your love of bricks by donating \$50 or \$100 per brick!

If a brownstone suits your preference then consider donating \$500!

Please designate "Restoration" on your check, to help increase the grant match!

The Finance & Stewardship Committee thanks you for your generosity and your love for our historic building.

## BEACON RALLIES ON THE HILL

Thanks to all who were able to join Beacon Housing Leadership for the rally at the Capitol for legislation to Bring It Home Minnesota! We had a nice turnout from Central members, including some virtual participants.

Your commitment to rent support is greatly appreciated!

What do we want? Bring It Home! When do we want it? NOW!

Roger's and Virgie's signs read: "everyone deserves a roof!"

# A SIGN OF SPRING

[ FROM REV. CAROL REED ]

*The wilderness and the dry land shall be glad, the desert shall rejoice and blossom; like the crocus it shall blossom abundantly and rejoice with joy and singing.*

– Isaiah 35:1-2

The weeks that follow Easter are called the Season of Easter in the church. It reminds us that Easter is not just a day. Actually, each Sunday morning is called a “Little Easter” – emphasizing that we are an Easter people who proclaim the message of the resurrection with our very lives.

Easter falls on the calendar differently every year, actually determined by the first Sunday following the first full moon after the vernal equinox. The formula is not important but it means Easter can come some years in Minnesota when the snow is still very much on the ground and some years when springtime is in full bloom.

This year we have had many false starts to spring as winter just did not seem ready to let go. The weekend of Palm Sunday, I went out to the Landscape Arboretum in Chaska for a walk. It was still cold enough many nights so that the sap was still running in the maple trees that were still being tapped on the grounds. However, despite the cold temperatures, there was enough sunshine that the earliest spring flowers – the crocus and snowdrops – were showing off their spring colors.

Whatever the date, Easter always is a visual reminder of new life. My prayer is that during this Easter season you too will be able to feel

blessed by the world our God created.

*God bless to us each sign of spring, each new green shoot, each lighter day, each warmer wind. God bless to us rebirth.*

– by Kate McIlhagga  
from *A Book of Blessings*

## A POEM FOR EASTER

Like a blade of grass pushing up stubbornly through the sidewalk. or  
Like the butterfly emerging from the tomb-like chrysalis.  
But much more.

Like the seed after years of dormant death sending up sprout. or  
Like the brown bulb breaking forth from brown earth into brilliant color.  
But much more.

Like brilliant daybreak after stormy, darkened night. or  
Like a rainbow mystically appearing amidst the rain.  
But much more.

Like a patient making an unexpected, unpredicted turn for health. or  
Like the pine cone opening to spread seed only after touched by fiery death.  
But much more.

Like a beautiful vase emerging from a lump of clay in the potter's hands. or  
Like a hidden spring burbling forth in the middle of a barren desert.  
But much more.

Like the surprise of Spring's buds pushing aside Winter's snow. or  
Like someone finally emerging from the fatality of addiction.  
But much more.

So, it comes.  
Nothing else like it.

No image adequate. No simile. No metaphor.  
Unable to talk about it but inadequately.  
We celebrate this great, real mystery that  
Neither language nor imagination can encompass.  
Easter!

# CHILDREN AND YOUTH MINISTRY NEWS

[ FROM JENNIFER ANDERSON ]

## Exciting Changes Happening Upstairs

I'm so excited to share that we have a perked-up space for our mid/older Elementary kids to learn and grow together! What has been fondly known as the "Orange Room" has undertaken some changes to incorporate new patterns and wall designs. It has also received a new "stage" for acting out Bible stories and a game or two of charades just for fun. Now it is ready for 7-year-olds and older to join Laura on worship mornings for Sunday Connection.

A huge thanks to Jackie Klaehn (and Rowan and Lucy) for helping prepare the room, as well as to Jeremy Berg for the donation of the table, Jim O'Neill for various carpentry help, and to ALL who donated chairs to make this space comfortable and functional for our kids. (While one set of the new red chairs was delayed in shipping, we are eager to see them arrive soon!)

## Opportunities for Children in Worship

Children and youth are a beloved part of our faith community! As such, all are welcome in the sanctuary during worship. There are worship bags with activities in the back of the sanctuary as well as children's Bibles in various pew racks. We also offer the following age-appropriate options for ministry and connection:

**NURSERY CARE:** (infant – age 6) from 9:15 – 11:45 a.m.

**SUNDAY CONNECTION:** following the Time for Children to 11:45 a.m.

- Nursery (infant – age 3) in the Nursery
- Ages 4 – 6 in the Preschool Room
- Ages 7 – up in the Orange Room

Following the Time for Children, Laura will take the children upstairs and make sure each child finds their classroom. If you are new to Central, please make sure that we have contact info for you (such as a cell phone number which we can text you on) in case we need to reach you during the service.

Following worship, please come upstairs and pick up your child. We are requiring masks for everyone (age 2+) in the education area.

## Youth Ministry

Eleven of our youth led the Maundy Thursday Service in Holy Week this year. They prepared for six stations, all based on the Maundy Thursday "new commandment" to *love one another*. (See next page.) It was a beautiful service, and I'm so proud of our young people and so grateful to all who worshiped with us.

A special thank you is sent out to the amazing adults who are connecting to our youth in really wonderful ways though our regularly held youth group meetings: Deborah Fonkert,

Kiera Faye, and Jess Garner.

If there's a teen/preteen in your life who would like to join us, please extend an invitation! We meet on the 1st and 3rd Sundays of each month.

# ARTIST RECEPTION

[ FROM KIERA FAYE ]

In April, the gallery in the Friendship Room began featuring abstract watercolor and collage works by Marie Panlener. We have scheduled the artist reception for Sunday, May 1 after worship where you can meet the artist and learn more about her creative work and process. We invite you to visit the exhibition and see Marie's watercolor paintings. You will delight in the luminous color that is full of movement. It complements the colors of the stained glass windows so beautifully!

"I started my professional art career in a corporate graphics department in print design, and moved into web design, then video production and editing. I retired and am now able to watercolor paint daily, right after I drink a cup of coffee and catch up with the funnies." states Marie Panlener. "The qualities of watercolor: movement, transparency, color, value, are so absorbing that all

other things retreat. There is a lot to learn and lots of choices to make. It took me five years to settle on the colors in my palette and now and then I still find a new color to try. Watercolor painting takes years of commitment, including lots of failure (just part of the process). But then again I might be a slow learner."

Stop by the Friendship Room the next time you are at Central and see Marie's works. Then join us May 1st for the artist's reception and learn more about the inspiration, process, and works direct from the artist. Enjoy more works from Marie at [www.mariepanlener.com](http://www.mariepanlener.com).
